

Bulk E-Waste and Concrete Pick Up is the last Monday of the Month

Residents must schedule a pick-up in advance; no later than noon on the Monday **BEFORE** the collection day. You **MUST** email us at Publicworks@Berlintwp.com or call 856-767-5052 to request a pick up. Please be sure to include in the email the items that will be set at the curb for collection. **Please keep in mind that Berlin Township's Bulk Collection program is NOT for the purpose of discarding materials from DEMOLITION and CONSTRUCTION projects or regular household trash.** The intended purpose is to assist residents in removing normal bulk items that are too large to fit in the trash carts. We encourage residents to bring your Bulk Waste items to the Public Works Complex located at 200 Edgewood Avenue, Monday thru Friday, 7:00am – 3:00pm or the 2nd Saturday of the month from 8:00am – 12:00pm. Residents that are dropping off any kind of waste during the week **MUST** check in at the office first.

House move-in/move-out cleaning is not permitted

Please place items at the curb **after 6:00pm the night before** collection day.

Allowable Bulk Items:

- Old trash and/or recycling cans (flipped over)
- Appliances (doors removed)
- Furniture
- Outdoor Patio Furniture
- Scrap Iron
- Pressure treated wood, 3-5 pieces
(4-foot lengths, free of nails and staples)
- Mattresses
- Tires (without rims)
- Electronics
- Metal Shelving Units
- Concrete (Max 50lbs)

NOTE: Bulk waste not placed at the curb on the proper day for pick up will be tagged. If the bulk waste is not moved back from the curb, after being tagged, the Property Maintenance Officer will issue a warning. Failure to comply with these warnings will result in fines.
