1. D.C.A. LOCAL RECREATION IMPROVEMENT GRANTS PROGRAM, FY2025:

The D.C.A. has announced the acceptance of FY2025 Applications. The submission deadline was January 31, 2025 by 5:00 p.m. Our office has prepared and submitted an application for Barrier-Free Improvements to the Day Avenue playground area and equipment.

Our office has initiated the survey fieldwork for the project. Our office will prepare the construction plans and specifications for submission to the N.J.D.O.T. early this Summer.

3. <u>N.J.D.O.T. PROJECTS</u>:

a. Krumm Avenue and McClellan Avenue [FY2022] (KEI #29-530BT):

We have submitted the cancelled checks, project purchase orders and invoices to the N.J.D.O.T. Local Aid Office for their review and approval of reimbursement to the Township.

We anticipate the contractor commencing with construction this month.

Once we receive the anticipated commencement date, we will advice the Governing Body accordingly.

The Township is utilizing the County Open Space Funds for the construction of the Luke Avenue Inclusive Playground. Our office has verified how much funding has been received to date. In doing so, we noticed that the county rejected the request by the Township to bank Round 2022 funding with Round 2023 and Round 2024 funding to help fund the purchase of the playground equipment. We have contacted the program and requested that they reconsider the request.

Mr. Greg Powell from Ben Shaffer Recreation provided updated proposals and purchase orders have been issued. The playground equipment has been delivered to the Public Works Department.

On Tuesday, March 18, 2025 at 1:00 pm we met on-site with Mr. Simone, Mr. Powell and the contractor, to review the project and site conditions.

We also met on-site on April 3, 2025 with the contractor to review the existing conditions and proposed grading.

We determined that additional backfill material was not accounted for in the original proposal.

Mr. Powell provided a proposal, dated April 8, 2025, for the additional stone in the amount of \$16,830.0. We recommend that the Governing Body approve the proposal.

We have provided project status updates to the Program.

The County has granted an extension to August 29, 2025 to submit for reimbursement.

In addition, the D.C.A. has notified the Township that \$33,500.00 in funding has been granted for the project. We remind the Governing Body that the application requires a 100% match of funds by the municipality.

We have provided project status updates for the program through the N.J.D.C.A. Sage Portal

On Friday, April 4, 2025, the C.C.M.U.A. had notified the Sewer Department of an incident involving excessive clear water inflow at the C.C.M.U.A. Pump Station on Walker Avenue. The Public Works Department has been working with the C.C.M.U.A. Maintenance Staff to inspect and determine the cause. At the present time, an obvious source of the inflow has not been determined. It is possible that the problem could involve the stormwater work that was performed by the N.J.D.O.T. during the Route 73 Circle Project. We are currently contacting the N.J.D.O.T. for assistance.
