“CURFEW” AND RENAMING AS “MINORS AND PARENTAL RESPONSIBILITY” FOR THE CODE BOOK OF THE TOWNSHIP OF BERLIN, COUNTY OF CAMDEN, AND STATE OF NEW JERSEY.

WHEREAS, the Township Council of the Township of Berlin is authorized to adopt ordinances necessary and proper for the preservation of the public health, safety, and welfare of the municipality and its inhabitants; and

WHEREAS, the Township Council has a compelling interest in protecting minors from the harms, dangers, and negative influences associated with unsupervised, late-night or illicit activities in public places, and a concurrent interest in protecting the community from juvenile delinquency, vandalism, and public nuisances; and

WHEREAS, the Township Council recognizes that the primary responsibility for the supervision, guidance, and control of minors rests with their parents, legal guardians, or other persons having legal custody of such minors; and

WHEREAS, The Township Council finds that a significant contributing factor to juvenile misconduct and the victimization of minors is the failure or omission of parents or guardians to exercise reasonable supervision, control, and diligence over the conduct and whereabouts of their minor children; and

WHEREAS, the Township Council determines that holding parents and legal guardians accountable when they knowingly permit, or through a failure of reasonable supervision allow their minor children to engage in unlawful conduct or violate municipal peace regulations is an effective means to encourage parental responsibility and promote public safety;

NOW, THEREFORE, BE IT ORDAINED AND ESTABLISHED by the Township Council of the Township of Berlin, County of Camden, State of New Jersey that the following sections of the Township Code shall be amended as follows:

Chapter 137 “Curfew” of the Township Code shall hereafter be modified and replaced as “Minors and Parental Responsibility” and each subsection shall be replaced in their entirety as follows:

(KEI #29-631BT1225):**

Mayor Magazzu has directed our office to prepare a Multi-Year Roadway Maintenance and Overlay Program to improve, preserve and maintain the Township's roadway and infrastructure. The intent of the Program will be to restore all of the Municipal streets and roads over the next three (3) to four (4) years.

Phase I includes streets and roads located in the West Berlin section of the municipality. We are currently preparing the construction plans and specifications and anticipate bidding the project in July.

6. **MUNICIPAL FUNDED PROJECTS:**

a. **Streets**

i. **Elimination of Gutter Line Ponding, Pinecrest Section:**

This work will be included in the Multi-Year Roadway Maintenance and Overlay Program.

ii. **Capital Improvements:**

Mr. Simone has provided our office with a list of streets to be considered for improvements in this year's capital budget. Our office will include the list in the Multi-Year Roadway Maintenance and Overlay Program.

b. **Storm Drainage and Management**

i. **Veterans Avenue from Fiske Avenue to Walker Avenue:**

The existing deteriorated corrugated metal pipe requires replacement. We will attempt to incorporate the work in the overlay program.

ii. **Mt. Vernon Avenue Drainage and Stormwater Management
(at low point within the dead end on the school property)**

We question whether funding is available for this project and will review this work as part of the Capital Improvements Project.

c. Restoration of the Hockey Court Surface at the Day Avenue Playground

Our office is currently evaluating the cost and possible funding sources for the hockey court surface restoration.

7. CAMDEN COUNTY REQUESTED PROJECTS:

a. Improvements to the Traffic Signal at the Intersection of Haddon Avenue, Walker Avenue, Bate Avenue and Veterans Avenue

A meeting needs to be scheduled with the County and Chief Bordi to discuss modifications to reduce motorist confusion. We will determine if this meeting has been conducted, and if not, we will schedule a meeting.

b. Traffic Signal and Geometric Improvements at Cooper Road and Commerce Lane/Montebello Drive

We have no status for this project at the current time.

c. Dedication of Taunton Avenue from Route 73 to Evesham Township line

We have no status for this project at the current time.

8. N.J.D.E.P. PROJECTS

a. Compost Facility Storm Drainage Permit

Submission of the permit is past due. The Department of Public Works staff has submitted an application to the N.J.D.E.P. to assist with the preparation of the facility Stormwater Pollution Prevention Plan and Drainage Control Plan.

We were notified that the Township has received a Grant for Improvements to the Leaf Compost Yard. The Public Works Department submitted the Grant request.

b. Amended SPPP and MSWMP

Updating and revising the Township's Stormwater Pollution Prevention Plan and Stormwater Management Plan were discussed at the June 17, 2024 stormwater inspection meeting with the N.J.D.E.P. at the Public Works Office.

The SPPP has been revised and the resolution accepting the revision is required. The amended SPPP has been sent to the appropriate government entities. The Municipal Stormwater Management Plan must also be updated. We will communicate with Mr. Magazzu to insure this is completed.

c. Watershed Improvement Plan (WIP) – Phase 1

The WIP is a new requirement as part of the Tier A Permit. The permit requires three (3) phases of implementation with the first phase requiring data collection and public involvement. The deadline to complete Phase 1, as imposed in the Tier A Permit, is January 31, 2026.

It is our understanding that Mr. Magazzu is managing this project.

d. MS4 Mapping and Inventory

The Township has received a grant from the N.J.D.E.P. in the amount of \$25,000.00 for the MS4 mapping and inventory.

It is our understanding that Mr. Magazzu is managing this project.

e. Stormwater Inflow Issues with the Walker Avenue Pump Station

On Friday, April 4, 2025, the C.C.M.U.A. had notified the Sewer Department of an incident involving excessive clear water inflow at the C.C.M.U.A. Pump Station on Walker Avenue. The Public Works Department has been working with the C.C.M.U.A. Maintenance

Staff to inspect and determine the cause. The source of the inflow has been determined to be an abandoned storm manhole near the rear access driveway to Tires Plus on Walker Avenue. Mr. Simone and I met with the N.J.D.O.T. Staff on-site to review the conditions and the scope of work. The N.J.D.O.T. has made the repairs to the sanitary sewer system to prevent the stormwater inflow from taking place.

f. N.J.D.E.P. 2026 Revision to the Stormwater Control Ordinance (SCO):

The N.J.D.E.P. has released a revised Model SCO. The Township has until January 1, 2027 to adopt the Ordinance.

It is our understanding that Mr. Magazzu is managing this project.
